

**UPDATE ON WESTSTAR AVIATION SERVICES SDN BHD (“WASSB”)
BUSINESS OPERATIONS FOLLOWING CONDITIONAL MOVEMENT
CONTROL ORDER (MCO) BY THE GOVERNMENT OF MALAYSIA**

Following the announcement made by YAB Prime Minister on May 1st, 2020, the Government has allowed most of the economic sectors and business activities to resume operations on May 4th, 2020 under the Conditional Movement Control Order (CMCO).

In recognition of the ‘new normal’ way business will be conducted, especially on the need to strictly continue observing the COVID-19 precautionary measures, WASSB has taken a pragmatic approach to continue with the existing minimum working arrangement until 12th May 2020 or until the government fully lifted the MCO.

Notwithstanding the above, WASSB shall comply with COVID-19 guidelines or Standard Operating Procedure (“SOP”) issued by the Government Authorities from time to time.

Amidst this unprecedented crisis, the health and safety of our employees, clients, other stakeholders, and the communities will remain as our top priorities.

We are in this together and together we shall overcome.

Yours sincerely,
Weststar Aviation Services
